

Welcome to day 2

If there is 1 slide to remember from yesterday it
could be this next one

Nevertheless all presentations were very interesting

CONGRATULATIONS!

How has LinkingAlps fulfilled our expectations?

- Clear contribution to programme results, positive impact on the level of potential to access and use low carbon mobility and transport options (priority 2.2)
- Clear contribution to relevant regional, national and EU strategies, especially EUSALP (action group 4)
- Effective communication and capitalisation of results
- Added value in the territory, and in policy making (result orientation)
- Sustainability and transferability of outputs (beyond the project)

CONGRATULATIONS!
